2.

3.

4.

5.

Conditions of Membership:

1. Both the Primary and Alternate Representatives are required to **attach a resume** indicating expertise in electromagnetic compatibility engineering.

2. It will be helpful for obtaining membership in ANSC C63 if you have demonstrated your EMC capabilities by having participated in the Subcommittee work of C63.

3. This membership application will require a vote of the Main Committee for approval. Please submit your application directly to the Chair of the Main Committee noted on the [ANSC-C63 web site](#). The Chair will forward the application to the Secretary of the Main Committee and to the Secretariat of the Main Committee (IEEE).

4. For an Organization or Individual to remain a member of the Main Committee, in-person attendance by the Primary (or Alternate) Representative at Main Committee meetings and voting on procedural votes is required. Failure to attend at least one meeting per year or respond to two consecutive remote administrative/procedural votes may place membership at risk. Failure to participate in at least some of the technical document balloting groups indicates a lack of interest in the activities of C63 and may place membership at risk.

5. If your application is accepted as an Organizational Member of ANSC-C63, you will be assessed an annual Membership Fee.

6. The Organizational Member may name up to three people in addition to its Primary and Alternate Representatives who can participate in Subcommittee work without payment of additional fees.
