Application for Subcommittee Membership

ANSC-C63 on Electromagnetic Compatibility

ANSC-C63 is the American National Standards Committee C63 on Electromagnetic Compatibility.

APPLICATION INSTRUCTIONS

This is an official application for membership on one or more ANSC-C63 Subcommittees. The same form may be used to apply for multiple Subcommittees.

Submit the completed application by email to the appropriate Subcommittee Chair or Chairs identified on the ANSC-C63 website.

SUBCOMMITTEE SELECTION

Select each Subcommittee for which membership is requested. The source application identifies Subcommittees 1, 2, 3, 5, 6, 7, and 8.

☐ SC 1 ☐ SC 2 ☐ SC 3 ☐ SC 5 ☐ SC 6 ☐ SC 7 ☐ SC 8

ENGINEERING ASSOCIATIONS AND ORGANIZATIONS

List the engineering associations or organizations in which you are a member. Use a separate field for each entry.

1. ASSOCIATION OR ORGANIZATION

2. ASSOCIATION OR ORGANIZATION

3. ASSOCIATION OR ORGANIZATION

4. ASSOCIATION OR ORGANIZATION

EMC EXPERIENCE AND SUPPORTING INFORMATION

Enter the number of years of EMC experience. A CV or resume must be provided with the application.

YEARS OF EMC EXPERIENCE

REQUIRED ATTACHMENT

Attach a CV or resume documenting your EMC experience and qualifications.

SUBCOMMITTEE MEMBER ENDORSEMENTS

List three members of the Subcommittee for which membership is requested who have agreed to endorse the application. Each individual must provide a written or email endorsement to the Subcommittee Chair.

1. ENDORSING SUBCOMMITTEE MEMBER

2. ENDORSING SUBCOMMITTEE MEMBER

3. ENDORSING SUBCOMMITTEE MEMBER

ENDORSEMENT REMINDER

Each person listed above must send a written or email endorsement to the appropriate Subcommittee Chair.

CONDITIONS OF MEMBERSHIP

1. The membership application requires Subcommittee acceptance. The Subcommittee votes on recommending the application for confirmation by the C63 Main Committee.

2. Active participation is required. If a member fails to attend at least one of three consecutive scheduled meetings, whether in person or remotely by web conference when used, or fails to respond to at least one of every two consecutive Subcommittee email votes, membership in that Subcommittee may be at risk.

3. If confirmed as a Subcommittee member by the Main Committee, membership is not fully operational until the annual membership fee is paid. Organizational Members of the C63 Main Committee may identify up to five individuals for participation in Subcommittee work without payment of additional fees.

APPLICANT ACKNOWLEDGMENT

By completing the fields below, the applicant confirms the information in this application and acknowledges the conditions of Subcommittee membership.
