Application for Working Group Membership

under an ANSC-C63 Subcommittee

ANSC-C63 is the American National Standards Committee C63 on Electromagnetic Compatibility.

APPLICATION INSTRUCTIONS

This is an official application for membership in an ANSC-C63 Working Group. Use a separate application for each Working Group you would like to join.

Working Groups report to Subcommittees, and Subcommittees report to the Main Committee.

Submit the completed application by email to the Working Group Chair or the relevant Subcommittee Chair identified on the ANSC-C63 website.

WORKING GROUP SELECTION

Identify the specific Working Group and its parent Subcommittee. Enter one Working Group per application.

WORKING GROUP

SUBCOMMITTEE NUMBER (1, 2, 3, 4, 5, 6, 7, OR 8)

ENGINEERING ASSOCIATIONS AND ORGANIZATIONS

List the engineering associations or organizations in which you are a member. Use a separate field for each entry.

1. ASSOCIATION OR ORGANIZATION

2. ASSOCIATION OR ORGANIZATION

3. ASSOCIATION OR ORGANIZATION

4. ASSOCIATION OR ORGANIZATION

EMC EXPERIENCE AND SUPPORTING INFORMATION

Enter the number of years of EMC experience. A CV or resume must be provided with the application.

YEARS OF EMC EXPERIENCE

REQUIRED ATTACHMENT

Attach a CV or resume documenting your EMC experience and qualifications.

CONDITIONS OF MEMBERSHIP

1. The Working Group membership application shall be approved by the Subcommittee under which the Working Group operates.

2. Working Group members are required to be active by attending and participating in meetings. Missing three or more consecutive scheduled meetings, including in-person meetings, teleconferences, or webinars, may put membership at risk.

3. There is no fee to participate in a Working Group.

APPLICANT ACKNOWLEDGMENT

By signing below, the applicant confirms the information in this application and acknowledges the conditions of Working Group membership.
