8. Other Administrative Matters

8.1. Web Page – Secretary

8.1.1 The Generic Agendas for Subcommittees include a review of the Membership roster, a Quorum check, review of Membership Guidelines, Attendance Log and Members at Risk at each meeting. Spring meeting requires approval of the SC Membership. At each Spring meeting, a review is conducted for all PINS content, the Status Matrix text and the "Learn more" text for each Standard covered by that SC.

8.2. Administrative matters from the Steering Committee – Chair - Subcommittees or Working Groups can always comment on regulator documents, but not representing ANSC-C63. Those SCs or WGs must still establish consensus of their members before commenting. David C. suggested that C63 could make members aware of new regulations so individual members could comment.

8.3. Website update – Secretary - If you find errors, contact the Secretary.

8.4. **Meeting/Storage services (Webex, Teams/One-drive)** - **Chair -** We are considering updating our web-site. The Chair would like to form a small group of people to research this topic more thoroughly. We're looking for volunteers to review proposals and evaluate solutions.

9. Other Business

9.1 **Future Seminars and Workshops – Chair -** We are not presenting a workshop this year. We may offer more focused coverage of a single Standard or a few Standards in the future.

9.2 **Newsletter report – Chair –** SC chairs to send a summary of activities to the Editor.

9.3 **Next meeting – Chair - A2LA, Frederick MD, Week of October 19, 2026**
